

Child Safeguarding Statement

Scoil Naomh Iósaf is a Catholic primary school providing primary education to pupils from Junior Infants to Sixth Class. In addition to fourteen mainstream classes, our Autism Spectrum Unit, RÉALTA has two classes for children with Autism Spectrum Disorder (ASD).

In accordance with the requirements of the Children First Act 2015, Children First: National Guidance for the Protection and Welfare of Children 2017, the Child Protection Procedures for Primary and Post Primary Schools 2017 and Túsla Guidance on the preparation of Child Safeguarding Statements, the Board of Management of Scoil Naomh Iósaf has agreed the Child Safeguarding Statement set out in this document.

1. The Board of Management has adopted and will implement fully and without modification the Department's Child Protection Procedures for Primary and Post Primary Schools 2017 as part of this overall Child Safeguarding Statement
2. **The Designated Liaison Person (DLP) is the Principal, Mairead Hennessy.**
3. **The Deputy Designated Liaison Person is the Deputy Principal, Carmel Doyle.**
4. The Board of Management recognises that child protection and welfare considerations permeate all aspects of school life and must be reflected in all of the school's policies, procedures, practices and activities. In its policies, procedures, practices and activities, the school will adhere to the following principles of best practice in child protection and welfare:

The school will:

- recognise that the protection and welfare of children is of paramount importance, regardless of all other considerations;
- fully comply with its statutory obligations under the Children First Act 2015 and other relevant legislation relating to the protection and welfare of children;
- fully co-operate with the relevant statutory authorities in relation to child protection and welfare matters
- adopt safe practices to minimise the possibility of harm or accidents happening to children and protect workers from the necessity to take unnecessary risks that may leave themselves open to accusations of abuse or neglect;
- develop a practice of openness with parents and encourage parental involvement in the education of their children; and
- fully respect confidentiality requirements in dealing with child protection matters.

The school will also adhere to the above principles in relation to any adult pupil/employee with a special vulnerability.

5. **The following procedures/measures are in place:**

- In relation to any member of staff who is the subject of any investigation (howsoever described) in respect of any act, omission or circumstance in respect of a child attending the

school, the school adheres to the relevant procedures set out in Chapter 7 of the Child Protection Procedures for Primary and Post-Primary Schools 2017 and to the relevant agreed disciplinary procedures for school staff which are published on the DES website.

- In relation to the selection or recruitment of staff and their suitability to work with children, the school adheres to the statutory vetting requirements of the National Vetting Bureau (Children and Vulnerable Persons) Acts 2012 to 2016 and to the wider duty of care guidance set out in relevant Garda vetting and recruitment circulars published by the DES and available on the DES website.
 - In relation to the provision of information and, where necessary, instruction and training, to staff in respect of the identification of the occurrence of harm (as defined in the 2015 Act) the school:
 - ✓ Has provided each member of staff with a copy of the school's Child Safeguarding Statement.
 - ✓ Ensures all new staff are provided with a copy of the school's Child Safeguarding Statement.
 - ✓ Encourages staff to avail of relevant training.
 - ✓ Encourages Board of Management members to avail of relevant training.
 - ✓ The Board of Management maintains records of all staff and Board member training.
 - In relation to reporting of child protection concerns to Túsła, all school personnel are required to adhere to the procedures set out in the Child Protection Procedures for Primary and Post-Primary Schools 2017, including in the case of registered teachers, those in relation to mandated reporting under the Children First Act 2015.
 - In this school the Board has appointed the above named DLP as the "relevant person" (as defined in the Children First Act 2015) to be the first point of contact in respect of the Child Safeguarding statement.
 - All registered teachers employed by the school are mandated persons under the Children First Act 2015.
 - In accordance with the Children First Act 2015, the Board has carried out an assessment of any potential for harm to a child while attending the school or participating in school activities. A written assessment setting out the areas of risk identified and the school's procedures for managing those risks is attached as an appendix to these procedures.
 - The various procedures referred to in this Statement can be accessed via the school's website, the DES website or will be made available on request by the school.
6. This statement has been published on the school's website and has been provided to all members of school personnel, the Parents' Association and the patron. It is readily accessible to parents and guardians on request. A copy of this Statement will be made available to Túsła and the Department if requested.
7. This Child Safeguarding Statement will be reviewed annually or as soon as practicable after there has been a material change in any matter to which this statement refers. The Child Safeguarding Statement and associated Risk Assessment was initially adopted by the Board of Management on March 21st 2018. This was reviewed, updated and adopted by the BOM on June 19th 2019 and September 2020. This updated version was ratified by the BOM on February 25th 2020.

Important Note: It should be noted that risk in the context of this risk assessment is the risk of ‘harm’ as defined in the Children First Act 2015 and not general health and safety risk. The definition of harm is set out in Chapter 4 of the Child Protection Procedures for Primary and Post-Primary Schools 2017.

In undertaking this risk assessment, the board of management has endeavoured to identify as far as possible the risks of harm that are relevant to this school and to ensure that adequate procedures are in place to manage all risks identified. While it is not possible to foresee and remove all risk of harm, the school has in place the procedures listed in this risk assessment to manage and reduce risk to the greatest possible extent.

The following procedures are also in place in Scoil Naomh Iósaf to reduce the risk of harm:

- All school personnel are provided with a copy of the school's *Child Safeguarding Statement*
- The *Child Protection Procedures for Primary and Post-Primary Schools 2017* are made available to all school personnel
- School Personnel are required to adhere to the *Child Protection Procedures for Primary and Post-Primary Schools 2017* and all registered teaching staff are required to adhere to the *Children First Act 2015*
- The school implements in full the Stay Safe Programme. For the 2020/2021 school year, all staff are required to commence teaching the Stay Safe Programme in September in case of school closures. Stay Safe is to be taught to all classes this year as pupils may have missed out on key elements of the Programme from March – June 2020 when the school was closed. Teachers were also requested to teach the sensitive areas of the RSE curriculum during this time.
- The school implements in full the SPHE curriculum
- The school has an Anti-Bullying Policy which fully adheres to the requirements of the Department's *Anti-Bullying Procedures for Primary and Post-Primary Schools*
- The school has a yard/playground supervision policy to ensure appropriate supervision of children during, assembly, dismissal and breaks and in respect of specific areas such as toilets, changing rooms etc. The Supervision policy was updated in September 2020 in light of changes to play and pupil interaction as a result of the Covid-19 Pandemic.
- The school has in place a policy and clear procedures in respect of school outings.
- The school has a Health and Safety policy. The Health and Safety Policy was also updated in light of Covid-19 Protocols/Response Plan.
- The school adheres to the requirements of the Garda vetting legislation and relevant DES circulars in relation to recruitment and Garda vetting
- The school staff implement the Code of Professional Conduct published by the Teaching Council (teaching and non-teaching staff).
- The school has a Special Educational Needs policy
- The school has an intimate care policy/plan in respect of students who require such care.
- The school has in place a policy and procedures for the administration of medication to pupils
- The school –
 - Ensures all new staff are provided with a copy of the school's Child Safeguarding Statement
 - Ensure all Substitute teachers have access to Substitute Folder with necessary information included.
 - Encourages staff to avail of relevant training
 - Encourages board of management members to avail of relevant training
 - Maintains records of all staff and board member training
- Scoil Naomh Iosaf has the following policies in place:
 - Administration of First Aid
 - Covid 19 Response Plan
 - Acceptable Use Policy for ICT
 - Mobile phone policy in respect of usage of mobile phones by pupils
 - Critical Incident Management Plan
 - Procedures for one-to-one teaching activities
 - Procedures in respect of student teacher placements and students undertaking work experience.

This risk assessment has been completed by the Board of Management on February 25th 2021. It shall be reviewed again in 2022 as part of the school's annual review of its Child Safeguarding Statement.
